

19th January 2017

Oops!

The builders have to

start

work

next week

19th January 2017

This means we can't use the playground but there is still lots to do and places to play!

- You can play football in the cage between 1.15 – 1.30pm
- You can play other games in the cage between 1.30 - 1.45pm
- We will move the table tennis tables so you can still play
- You can shoot hoops by the cage
- You can use the iPads by the blue and yellow chairs every day
- You can play indoor games near the new pop up library
- You can read in the library
- Please tell Ms Nettleton if you think about other things you would like to play with outside

It will be interesting to see the new classrooms being built!
