

PE and Sport Premium

Purpose

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium to:

- develop or add to the PE and sport activities that a school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

There are 5 key indicators that schools should expect to see improvement across:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

West Hill allocation 2017-18

£16,240

Area	Activity	Cost
Develop or add to the PE and sport activities	Two additional soft play areas created (group room and hall)**	£3,419

*Late completion of building works during transition from secondary to primary has necessitated carrying forward funding from 2017-18 to 2018-19.

** order for bespoke equipment placed in 2017-18 financial year. Invoiced and paid for in 2018-19 financial year.

Name of Project: Playground development of West Hill School – tenders submitted in September 2018. Currently under review for recommendation to the Trust Board, with aim to complete by Easter 2019.

Objective of project: Following the recent building works at West Hill and the transition from secondary to primary, the project is to redevelop the Nursery, Early Years (EY), Main playground, KS2 playground (old community garden area) and Field. New playgrounds must support child development and learning appropriately as well as promote fitness and wellbeing. Must be inclusive and wheelchair accessible. Playgrounds must support social interactions, enhance creativity and promote movement, fitness and friendship. Children should be enabled to explore risk taking in the playground

Likely use of PE Premium grant to contribute to purchase of items such as inclusive swing (approx. £10,200), inclusive trampoline (approx. £9,900) inclusive roundabout (approx £10,750), rope climbs (approx. £1,800)
